

Evansville Dog Owners Group
April 20, 2016
At Central Bark

Attending: President Kevin Young, Secretary Alice Rademacher, Randy Copeland, Kary Wade, Robert Wade, Lori Young, Tracey Tomes, and Pam Arnold

Kevin called the meeting to order at 5:36pm.

Secretary's Report: Minutes were approved

Treasurer's Report: Randy wants to change format for Treasurer's Reports to prior month since meeting changes every month. Report will be about previous month and he will discuss any significant expenses or income that needs to be addressed. Treasurer's Report was approved as attached.

Membership Report: 17 new members for April

Old Business:

Insurance was approved once again for building and mower for \$375. The Insurance viewed us as a club and that was changed to a Dog Park. Jerry at Neace Lukens is our agent.

Membership event coming up: Bear Bones Bakery and ITV might not be able to make it now.

Kevin thought we might need more poop bags

Alice will be pulling the Porta Potty out to the parking lot for the event.

Kevin will get us a sink to wash hands in as long as it doesn't cost more than \$50

Alice will be picking up the PA system.

Pam is handling the silent Auction and she will write thank you notes to donors.

If the Mayor comes, Kevin wants to ask him about electricity to the park.

Lori will ask Kate if she needs coolers and ice.

Balloons would be nice to draw attention to signs on First Avenue.

Everybody be sure and keep track of your volunteer hours.

Alice or Matt will mow Friday before if it needs it.

Alice will bring generator unless PA doesn't need it. Pam is pretty sure it doesn't need a generator.

Jamie from Specialty Pet Grooming will be trimming nails for \$5 and donate the proceeds to us.

New Business:

Meetings will now be on the second Monday of the month here at the Dog Park.
