

EVANSVILLE DOG OWNERS GROUP

June 16, 2015 North Park Library

Attending: Debbie Wozniak, Carla Kleinschmidt, Alice Rademacher, Pam Arnold, Nancy McGuyer, Brenda Mills, and Aaron Schultheis

Alice opened the meeting at 4:35 p.m.

Treasurer's Report:

- Carla reported a balance of \$3,389.46

Membership:

- Debbie reported our current membership count is 126

Old Business:

- Building porch is finished. The building needs to be painted (Bill Thomas has offered to spray). Still need gutters installed and Rain barrels set up. Some interior walls still need to be finished before the membership is given the code.
- We are interested in finding a way to keep the garage door up high enough to raise the roll bar on the mower. This is a safety feature but will also give us more room to pull the mower in if the bar is up.
- The incident report was read and Alice agreed to contact the family to tell them their dog cannot come back to the park. Her reaction to stress was too violent to let her back in.

New Business:

- Alice will be placing a notebook in the building to record volunteer hours for future grant possibilities.
- Tentatively Wildcard Dog Services will be giving the board a program on park safety and identifying dangerous dogs at the August Meeting.
- Pam will contact Neace Lukens insurance to see what it would cost to add the mower and building to our insurance policy in case something would happen to it. She will see if someone will come and talk to us about our insurance at the September Meeting. Alice will try to get an estimate on replacing the building.
- Our Hacienda fundraiser will be July 21 at 6:00pm. We hope all our members will be able to make it.
- Deb will be revising the membership application as approved.

Other Business:

- Brenda asked about the possibility of planting a tree for shade in the small dog area. Alice said the problem is in finding someone who will agree to water the tree at least twice a week for the first growing season. Hopefully someone will come forward. Alice has a maple that she will donate.

- Aaron suggested we send the entire membership a reminder the day before a work day to increase attendance. Alice suggested we try to tell them farther in advance to schedule a work day. Both things would be good to try.

Meeting was adjourned at 5:30pm

Respectfully Submitted by Alice Rademacher
